Dear Ms. Mellert and Mr. Rizzo,

On behalf of all the children at Friendship House, we would like to give you our sincere 'Thank You' for your overwhelming generosity of the Wilkes Barre/Scranton Railrider's baseball tickets. The family and children who were able to utilize the tickets had a memorial experience while touring the baseball complex and attending the game. Your generous donation of these tickets was able to help our clients experience a child event which they may have not otherwise been able to experience. Again, Thank You for thinking of us!

Sincerely,
